RECOVERY

Breaking The Cycle is a premier Intensive Outpatient Program (IOP) that merges the spiritual depth of the 12 Steps with the advanced biological restoration of Momentum Health and Wellness. We are looking for a select group of dedicated individuals to join our Founder's Group—the inaugural cohort that will pioneer this integrated model.

THE "CYCLE BREAKER" MODEL
MOST PROGRAMS TREAT THE MIND BUT IGNORE THE
BRAIN. WE DO BOTH. BY STABILIZING YOUR BIOLOGY,
WE MAKE THE SPIRITUAL WORK OF THE 12 STEPS NOT
ONLY POSSIBLE BUT SUSTAINABLE.

\$450/Week &
\$150 Assessment Fee

30/60/90 Day Enrollment Available

FIND FREEDOM. HEAL THE BODY. SUSTAIN RECOVERY.

Why Join the Founder's Group?

- Legacy Status: Help shape the curriculum and culture of a new recovery movement.
- High-Touch Care: Benefit from smaller group sizes and more direct access to the clinical and medical teams.
- Biological Stabilization: Be among the first to experience the synergy of NAD+ and BHRT integrated directly into an IOP schedule.
- Community Impact: Take a leadership role in our first-ever Purpose-Driven Service events.
